**The Court made the following Oral Judgment: (per Sri Devinder Gupta, CJ)**

We see no ground to interfere with the order of the learned single judge, which takes notice of the fact that due to mistake on the part of the University that appellant/petitioner was permitted to appear for betterment examination of M.A. course. But, however, on 24.10.1998 already resolution has been passed by the Respondent-University to dispense with the practice of paper-wise betterment system and the system prevailing on 24.10.1998 is betterment examination in all the papers.

In case, the contention of learned counsel for the appellant is accepted, the University will have to deviate from its resolution, which cannot be permitted. We see no force in the appeal.

The writ appeal is accordingly dismissed. No costs.
